ENGRAVING DIRECTION HOW WILL YOUR MESSAGE BE ENGRAVED?

1

Personalise your chain

(our jeweller will harmonise the intervals between the charms)

2

Your creation

(the piece you will receive is a beautiful half bangle half chain)

FRONT

BACK

Because each letter is engraved **behind each charm**, engraving goes from the one on the right (4) to the one on the left (1), in order to correctly display your message when you turn your bracelet around.
